Established in 1968, NSE has arranged affordable exchange opportunities for more than 125, 000 students. Study away through NSE includes diverse university settings and access to a wide array of courses, programs, field experiences, and internships. This is accomplished through a competitive request for proposal process facilitated annually by a dedicated and engaged group of faculty, staff, and students with support from the Office for Diversity, Equity & Inclusion (ODEI). The Council invites grant applications for programs and activities that enhance the WCU campus climate for students, staff, and faculty through scholarship, programming, creative and collaborative activities, teaching, learning, and other aspects of campus community development.

# COMMISSIONS, COMMITTEES, CAUCUSES, & COUNCILS

## ADA COMMITTEE

The Americans with Disabilities Act Committee is a campus-wide group with the primary goal of promoting and advancing University policies and procedures that provide access to employment, services, and programs, which result in equal opportunity for individuals with disabilities. The committee's name reflects the Americans with Disabilities Act of 1990, which prohibits discrimination against individuals with disabilities in employment, public services and transportation, public accommodations, and telecommunications services. The Director for Equity and Compliance serves as the ADA Coordinator for the University. The ADA Committee supports the existing University services via consultation and education. The committee meets twice a semester and includes members from the faculty, non-instructional staff, and students. Membership is open to any interested person at the University. The committee works to provide bridges to facilitate greater understanding as it relates to individuals with disabilities and enable all members of the campus community to benefit from improved educational opportunities.

## CAMPUS CLIMATE INTERVENTION TEAM

The Campus Climate Intervention Team (CCIT) was established in the fall of 1991 to foster an institution-wide climate free from acts of intolerance or prejudice and to establish protocol for responding to and monitoring acts of intolerance should they occur. The CCIT serves as a university-wide committee of faculty, staff and students and meets up to four times per year to:

- understand and monitor the University's campus climate through active review of campus climate surveys;
- work proactively to encourage reporting and prevention of acts of discrimination, harassment, intolerance, or prejudice; and
- when needed, serve as an education team to unwelcomed or challenging acts that occur on campus.

## **COUNCIL FOR DIVERSITY, INCLUSION AND ACADEMIC EXCELLENCE**

The Council for Diversity, Inclusion, & Academic Excellence was formed in Fall 2013 through the WCU Strategic Plan: Building on Excellence. It was charged with the assessment of the University's progress toward its diversity and inclusion goals and to develop a plan to advance its progress to improve the campus climate. After the University hired a Chief Diversity and Inclusion Officer in 2018 and launched the University Strategic plan, Pathways to Success, in Fall 2019, the charge of the Council for Diversity, Inclusion and Academic Excellence was redirected to:

- advise the Chief Diversity and Inclusion Officer;
