GFC provides emergency medical services training and is a consortium partner of University of Pittsburgh Medical Center, Centers for Emergency Management and Paramedic Training Consortium (hereinafter, "UPMC-CEM", and GFC and UPMC-CEM consortium together, ("Consortium"). The GFC, UPMC-CEM Consortium is accredited by the Commission on Accreditation of Allied Health Education Programs upon the recommendation of the Committee on Accreditation of Educational Programs for their Paramedic Education program. In order for GFC to be accredited and provide Paramedic Education, GFC is required to have a consortium partner as well an articulation agreement with WCU. GFC's consortium partner is UPMC-CEM. GFC is an accredited credit granting organization through its participation in the Consortium.

**Introduction**

GFC and WCU enter into this Articulation Agreement (hereinafter, "Agreement") in order to facilitate the transfer of Emergency Medical Services Professions including Emergency Medical Technician (hereinafter, ("EMT"), Advanced Emergency Medical Technician (hereinafter, ("AEMT")), and Paramedic graduates into the Bachelor of Science (B.S.) The Bachelor of Science Health Science: General degree program at WCU requires the completion of 120 credits. Toward that requirement, WCU will accept EMT and AEMT course credits from GFC and Paramedic course credits from the Consortium's Paramedic program. WCU requires that students must complete a minimum of 30 of their last 60 credits, and at least 12 credits within the Health Science General program at WCU in order to earn their undergraduate degree from WCU. The three core courses required for the Bachelor of Science Health Science General degree (9 credits) and at least 1 other HEA/ENV course (3 credits) must be completed at WCU.

In order to qualify for the benefits of this Agreement, students must:

- Successfully graduate from GFC with a 70% grade average for each course;
- Students must submit their official transcript to WCU;
- Satisfy all other WCU admissions requirements.

GFC students who transfer after successful completion of the EMT, AEMT or Paramedic program will receive transfer credit for earned credits taken at GFC as outlined in Table 1 and Table 2 in Addendum A, incorporated herein.

#### **Joint Responsibilities for Maintenance of this Agreement**

- GFC and WCU will maintain curricular and course equivalency information.
- GFC will provide written notification to WCU of any curricular modifications or changes to degree requirements. WCU will review and determine if said changes or modifications shall require a written amendment to this agreement.
- WCU will inform GFC of any curricular changes and impact thereof.

#### **Additional Terms of Agreement**

1. This Articulation Agreement along with all addenda constitutes the entire Agreement and terms of understanding between GFC and WCU.
2. This Agreement will be reviewed and revised as necessary by written amendment. All revisions must be approved by each institution's official signatories, with the same formality as the original Agreement.
3. This Agreement will have a term of five (5) years beginning from the Effective Date. After the five (5) year term, the parties may agree to enter into a new Agreement.
4. The terms of the Agreement shall remain in effect unless it is terminated by either party. Any party may terminate the Agreement for any reason with 120 days written notice to the other party. Either party may terminate this Agreement in the event of a substantial breach. However, if this Agreement is terminated while students are enrolled through this Agreement, the students may continue their educational experience under this Agreement until that experience would have concluded absent the termination.
5. The parties agree to continue their respective policies of nondiscrimination based on Title VI of the Civil Rights Act of 1964 in regard to sex, age, race, color, creed, national origin, Title IX of the Education Amendments of 1972 and other applicable laws, as well as the provisions of the Americans with Disabilities Act.
6. The relationship between the parties to this Agreement to each other is that of independent contractors. The relationship of the parties to this contract to each other shall not be construed to constitute a partnership, joint venture or any other relationship, other than that of independent contractors.
7. The parties shall agree to keep confidential all personally identifiable student information from education records provided by WCU and GFC as set forth in the Family Educational Rights and Privacy Act 34 CFR § 99.33 (a)(2) ("FERPA").
8. Neither of the parties shall assume any liabilities to each other. As to liability to each other or harm to persons, or damages to property, the parties do not waive any defense as a result of entering into this Agreement. This provision shall not be construed to limit WCU's or the Commonwealth's rights, claims or defenses which arise as a matter of law pursuant to any provisions of this Agreement. Nothing in this Agreement shall be construed to limit the sovereign immunity of the Commonwealth or of the State System of Higher Education or WCU.

9. This Agreement is not a third-party beneficiary contract and confers no rights upon any students or employees of the parties.
10. For the purpose of this Agreement, a copy of the party's original signature shall be considered to be an original signature; and as such shall be sufficient to bind such parties.
