## Degrees Held:

Bachelor of Science in Recreation Services Management, East Stroudsburg University, class of 2016

Master's of Science in Management and Leadership, East Stroudsburg University, class of 2018

**BIO:** I have been working professionally in higher education since 2018. Prior to working here at WCU, I participated in the Disney College Program, interned with Admissions/Orientation at ESU, and worked as a Residence Hall Director at SUNY New Paltz. In my role as Assistant Director of Sykes Union, I get the opportunity to work with student orgs in creating plans to host successful events in Sykes, as well as supervising the Building Managers. I am always seeking out exciting adventures like rock scramble hikes and riding rollercoasters. I also find joy in checking out local festivals and events with my partner and dog Marco, attending plays & musicals, and spending quality time with friends and family.
