RAMPORTAL TUTORIALS

View Campus Information

This document instructs students to view their ID numbers and WCU Email address information in RamPortal.

Log into your [RamPortal](#) with your WCU ID and Password.

- Locate the "My Campus Information" card on your RamPortal home page. This card displays your WCU email, RamNet and WCU ID's. For more information about these ID's, please see this [RamNet ID page](#).
- The QR code provided on the card links the user to a new email message with your WCU email address in the "To" field, enabling them to quickly and easily send you an email.
- Please note: all users have two ID numbers. You can present either number to a member of campus to locate your account information.
