EST. '15

EXPERIENTIAL LEARNING PLATFORM

A cafe designed for & run by students
(701 S High St.)

Student Cafe Executive Officers
earn invaluable leadership experience
(Plus full academic credit + wages)

A living, breathing B Corp™
on your college campus

Saxbys is a Certified B Corp and coffee company with a mission to Make Life Better. We are thrilled to be partnered with West Chester University to offer an entirely student-run cafe on campus.

The Saxbys Experiential Learning Platform (E.L.P.) is designed to prepare and embolden students by providing them with in-depth entrepreneurial opportunities as a supplement to traditional classroom learning. We call these our Entrepreneurial Proving Grounds.

The cafe is helmed by a Student Cafe Executive Officer (SCEO). The SCEO runs and manages all aspects of the cafe including team development, community outreach initiatives, and the cafe's profit & loss statement.

From empowering our SCEO's and their peer team members to take charge of their futures, to collaborating with university student & faculty leadership, Saxbys is committed to serve as a lasting campus cornerstone.
