

## First Destination Survey Spring 2016: Undergraduate Program Students

During April and May of 2016, the Office of Institutional Research of West Chester University of Pennsylvania (WCU) conducted an online survey of students who were intending to graduate with a Baccalaureate degree at the end of the Spring 2016 term. The purpose of the survey was to assess their future plans. The survey consisted of the broad question: "What is your primary status after *graduation*?" as well as follow-up questions on their employment, volunteer work, military service, and continued education. A total of 476 students responded to the survey. This represents approximately 22.8% of the 2,084 students intending to graduate in May 2016. The findings of the survey are displayed below.
