

Undergraduate Alumni Survey 2012 : Class of 2010

In Spring 2012 West Chester University conducted the Alumni Survey for the class of 2010 students who graduated in spring, summer or fall of 2010. Undergraduate students who graduated in 2010 (N=2421) were contacted by email requesting them to take the survey. Of the 2421, there were 280 valid responses. The response rate for the survey was 11.6%.

The respondents were 30% male and 70% female, 88% white and 12% from the other race/ ethnic background.

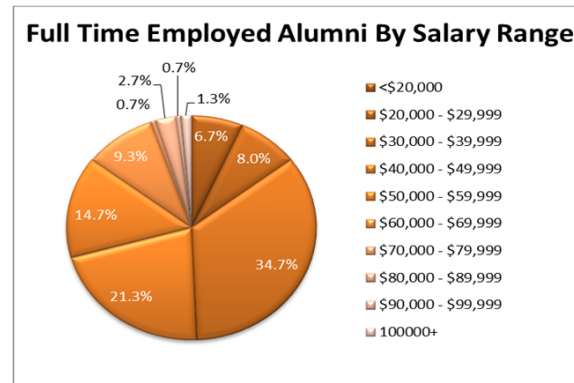

At the time of the survey, 58% of the alumni were employed full time, and 16% were continuing their education full time. Detailed information about the status of the alumni who responded to the survey is displayed in the following table.
