

*We live only ONCE,
So keep that ONCE alive
Follow your dreams you yearn to strive
Celebrate each day joyously
Hug your love ones tenderly
Cherish the memories with delight
Grace your pardons with forgiveness in sight
Be grateful to God for the blessings in your life
Learn and grow from each triumph and strife
Make your ONCE –the life you wish to lead
Time full of joy and wonder with every good deed
Laugh, love, and live
With a heart that truly gives
Hold the power of faith
Deep in your soul
Just Believe
Let your ONCE unfold.*

Being Tiny

My nick name tiny tommy first started when I was in third grade. I was on a Swim team and everyone else was tall except me. Even the 1st graders were taller than me. So they called me tiny because I was, and tommy, short for my last name. So that was how I started to be called tiny tommy.

If I Were in Charge of the World

I would take away hunger and war.

I would keep sports and books.

I would eliminate Dora and Diego.

I would maintain ice cream and friends house.

I would abandon casserole and spinach.

This is what I would do if I were in charge of the world.
