

FY21 ESTABLISHMENT OF NEW DINING RATES

At the January 30, 2020 Council of Trustees meeting, the Council approved the FY2021 Dining budget. As such, we are requesting formal approval for the establishment of the new meal plan rates and structures in support of the Dining budget.

We worked with our contracted vendor, Aramark, to revamp the meal plan offerings to our students in order to provide some new meal plan offerings that allow for increased flexibility. We will be adding a 10-meal plan option as well as a variety of block plans (120, 75, or 30) with varying levels of flex dollars (depending on the plan). Block plans give students the ability to use any of the meals within the allotment (120, 75, or 30) at whatever point in the semester they want to use them and can use them at either Lawrence/Commons or any of the retail locations. The 30-block plan also includes \$120 in meal plan vouchers which could be used to purchase meal kits. The meal kits would allow students in our campus apartment complexes or off campus residents the opportunity to obtain meals ready-to-cook that are delivered to their place of residence, to be either an individual meal or to share with others.

As a reminder, we will continue to offer our Unlimited and 14 Meal plan options, both with \$250 Flex Plan dollars at the same rates, \$1,600 and \$1,239, respectively.
